

# Why Are You Like That?

## Dealing With Annoying People

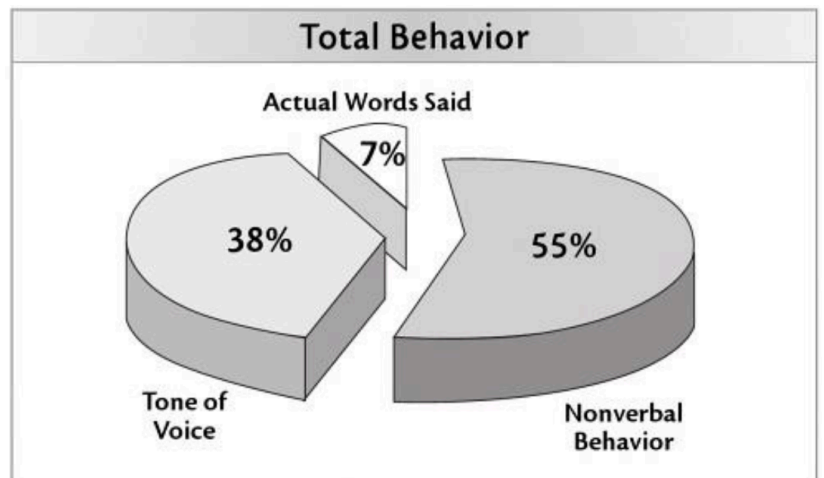

***Matt 22:36-40 "Teacher, which is the most important commandment in the law of Moses?" Jesus replied, "'You must love the Lord your God with all your heart, all your soul, and all your mind.' This is the first and greatest commandment. A second is equally important: 'Love your neighbor as yourself.'***

We are to love others to the same \_\_\_\_\_ and with the same proportion as we love ourselves.

Loving ourselves and loving others becomes easier when we \_\_\_\_\_.

***Prov 24:3-4 By wisdom a house is built, and through understanding it is established; through knowledge its rooms are filled with rare and beautiful treasures.***

\_\_\_\_\_ vs Motivation Behind the Behavior

Two primary types of labeling:

\_\_\_\_\_ - form conclusion and beliefs without verification - what we think, feel, and assume to be true.

\_\_\_\_\_ - based on real facts and observable actions. No application of reason or motivation.

Personality types help us \_\_\_\_\_ and categorize behavior.
